

REQUIRED CRIMINAL BACKGROUND CHECK FOR LICENSURE CANDIDATES

IMPORTANT! THIS REQUIREMENT HAS CHANGED – PLEASE READ CAREFULLY

State law requires all candidates in licensure programs to complete a criminal background check with the school district(s) that host their placements. Processes for completing the background check may vary by district, and candidates are responsible for completing this requirement with their host district(s).

Program coordinators may require candidates to submit notification of clearance from the host district.

All candidates are also checked against the statewide Sex Offender and Murderer and Violent Offender Against Youth databases.
